

TARIQ BIN ZIYAD

PYTHON DEVELOPER | AI AND SEARCH APPLICATIONS

Rawalpindi, Pakistan | 0348-8267779

tariqziyad025@gmail.com

Portfolio tariqbinziyad09.github.io

PROFESSIONAL SUMMARY

Computer Science graduate with hands-on experience building Python web applications, REST APIs, and semantic search features. Developed a final year knowledge platform using Django, FastAPI, Neo4j, ChromaDB, and Sentence-Transformers to connect source references with concept-based discovery. Seeking a junior Python, backend, or applied AI engineering role.

TECHNICAL SKILLS

Languages Python, SQL, JavaScript, HTML, CSS

Backend Django, FastAPI, REST APIs, authentication, CRUD applications

AI and search Embeddings, semantic search, Sentence-Transformers, ChromaDB

Data Neo4j, Microsoft SQL Server, relational data modeling, graph modeling

SELECTED PROJECTS

Noor ul Ilm - Knowledge Graph and Semantic Search | *Final Year Project | Python, Django, FastAPI, Neo4j, ChromaDB*

- Built a search application across Quran, Hadith, and Bible content, connecting the web interface with Python API services and source references.
- Used Sentence-Transformers and ChromaDB for semantic retrieval, supporting concept, synonym, and theme searches beyond exact keywords.
- Modeled concepts and relationships in Neo4j to power interactive graph exploration and source-linked results.
- Connected relational, graph, and vector data to combine structured references with meaning-based search.

Library Management System | *Python, Django, SQL, HTML, CSS, JavaScript*

- Implemented book issue and return, member management, and fine tracking with Django models, forms, and backend logic.
- Added authentication, role-based access, and CRUD workflows for a database-driven web application.

EXPERIENCE

Freelance Graphic Designer | **Fiverr** | **2024-Present**

- Work directly with clients to clarify requirements, revise designs from feedback, and deliver final assets on agreed timelines.

EDUCATION

Bachelor of Science in Computer Science | **2022-2026**

Pir Mehr Ali Shah Arid Agriculture University, Rawalpindi
